Us to victory!

Hail, Alma Mater  
Hats off to you,  
Ever you'll find us  
Loyal and true;

# MESSAGE FROM THE **PRESIDENT**

---

Dear Graduate,

Congratulations on behalf of the Sam Houston State University faculty, staff, and administration. You are now alumni, and we are delighted you will represent your University in your careers of choice and in your communities. No doubt you have had many opportunities here, and I am looking forward to seeing how you will use what you learned and experienced to meet the challenges and opportunities of the future.

Sam Houston State University is privileged to serve a diverse student population, including military-affiliated students, first-generation students, and non-traditional students. Sam Houston is committed to promoting a campus that embraces diversity and inclusion. Each student brings a different story and perspective, which enrich us all.

Our University motto is emblazoned on a wall in Frank Parker Plaza, but more importantly, it is visible in how you, the Bearkats we are recognizing today, live your lives. Our motto, “The measure of a Life is its Service,” provides a meaningful standard by which we can evaluate ourselves as people of purpose who provide value to others. You put the motto in action when you volunteered your time and energy on and off campus, in support of organizations and causes you value.

Today we celebrate you. We celebrate your accomplishments and triumphs. You have demonstrated your ability to overcome challenges and accomplish your goals. You will always have opportunities to add value by engaging in your communities, and I am confident you will do so in ways that will make the world a better place and bring pride to your alma mater.

Many important people supported you on your educational journey. Your family members, friends, mentors, faculty, and staff are applauding for you as you reach this milestone, and I celebrate your achievements with them.

Once a Bearkat, always a Bearkat. And today the entire Bearkat family—*tu familia*—celebrates your achievement. *¡Felicidades!*

Sincerely,

A handwritten signature in black ink that reads "Alisa White". The signature is written in a cursive, flowing style.

Dr. Alisa White

# COMMENCEMENT **SPEAKER**—MAY 11

---

Born and raised in Marlin, Texas, Czajkoski moved to Conroe after touring the country as a professional bull rider and graduating from Sam Houston State University. Czajkoski and his

wife Nicole, a local attorney, were drawn to Conroe by the small town feel and great opportunity that is so abundant. Active members of Sacred Heart Catholic Church, the Czajkoski family includes three children and the cutest little dog you ever saw.

Czajkoski's focus is to maintain and improve the outstanding quality of life we share here in Conroe—making Conroe a great place to live, learn, work and play.

Czajkoski is known for his “can do” attitude. He is open to new ideas from any source that shares his goal of making Conroe the best that it can be. If you've heard Czajkoski speak, you have heard “It's Conroe's Time to Shine!” and his attitude is that it takes ideas and input from everyone to make Conroe shine.

Czajkoski is committed to bringing and highlighting the multitude of opportunities that Conroe currently has and will develop. Bringing in businesses with good, high paying jobs, providing incubators for new businesses and developing every educational opportunity possible is necessary for Conroe's citizens to thrive economically. However, Mayor Czajkoski understands that work is not all there is to life. Making the beauty of our lakes, river, forests and trails available to all, nurturing a vibrant arts and entertainment culture and promoting the areas new bars, restaurants and recreational opportunities are all commitments that Mayor Czajkoski has made to the citizens of Conroe.

## ACADEMIC REGALIA

The academic costume worn at official functions today originated in the Middle Ages, when a warm gown and hood were useful to university scholars and clerics in unheated buildings. Through the years, the growth in the number of universities caused confusion about the proper regalia so a Code on Academic Costume was established. Today, The American Council on Education reviews and updates these traditions.

The four-sided mortarboard is recommended for both men and women. The cap is always black and should match the material of the robe.

Gowns are generally black. The bachelor's gown is simple, with long pointed sleeves. The master's gown will have either long sleeves with narrow wrist opening or long sleeves with the hand emerging from the sleeve at elbow length. The doctor's gown is fullest in cut with velvet panels down the front and around the neck, as well as three velvet bars on the bell-shaped sleeves.

Length of the hood represents degree level: the master's hood is three and one-half feet long and the doctor's hood is four feet long. The velvet trim on the edge of the hood is three inches wide for the master's degree and five inches wide for the doctor's degree. The color indicates the field of study. A color or pattern between the trim indicates the university awarding the degree.

## UNIVERSITY MACE

The University Mace is symbolic of the authority of the Board of Regents, The Texas State University System, and the Office of the President of Sam Houston State University. The senior tenured faculty member carries it during academic convocations. It was first used at summer commencement on August 20, 1988.

The mace was designed and hand crafted by the late Charles R. Jedlicka, Associate Professor of Industrial Technology. The crown is a circular casting bearing the name of the University and date of

establishment, 1879. The circle features the lone star, the state emblem, in the center. Names of past University presidents with their dates of service are engraved on the brass collar below the crown.

The walnut staff is bound in brass and has a hexagonal head with inlays of pecan for the state tree, recessed brass medallions cast with designs for General Sam Houston, Austin Hall, Old Main, Bearkats, and the completion date of the mace. The holder base or stall is six-sided to match the mace head.

# BACCALAUREATE GRADUATION WITH SPECIAL RECOGNITION

To reflect their achievement, graduates who have earned undergraduate academic excellence receive a gold cord at graduation plus an appropriate notation on their academic transcript. The gold cord indicates one of the following academic achievements: Summa Cum Laude, Magna Cum Laude, Cum Laude,

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding grade point average with a minimum of 32 semester hours earned in residence (resident classroom instruction). The distinction and corresponding grade point averages are: Cum Laude 3.50 - 3.66; Magna Cum Laude 3.67 - 3.85; Summa Cum Laude 3.86 - 4.00.

The Department Academic Distinction Program is an individualized learning experience that provides qualified students with a comprehensive introduction to meaningful research under the guidance of a designated faculty advisor.

Participation in the Honors College is based on a competitive selection process and provides outstanding academic opportunities and distinct undergraduate college experiences. Upon successful completion of the requirements of the Honors College—24 semester hours of Honors courses and two special seminars—the student’s academic transcript will indicate graduation “With Honors” and the student may wear an Honors medallion with academic regalia. To be designated as having graduated “With Highest Honors,” the student must also successfully complete a special senior project involving original research and/or an effort of creative expression.

*NOTE: Semester credit hours earned in correspondence courses are not considered “resident classroom instruction” hours and are not used in determining the minimum semester credit hour requirement for academic honors: Cum Laude, Magna Cum Laude, Summa Cum Laude, Dean’s List, and President’s Honor Roll. However, the semester credit hours and grade points earned for correspondence courses are included in the calculation of the overall grade point average.*

## VETERANS AND MILITARY MEMBERS

Sam Houston State University is proud to recognize graduating Veterans and military members with a specially designed veterans stole. The orange stole features camouflage tips bearing the SH logo on the right and the American flag with Veteran designation

on the left. On behalf of the entire Sam Houston State University community, President Alisa White and the SHSU Administrative Officers extend their deepest gratitude and congratulations to these distinguished graduates.

## GUIDELINES FOR GUESTS

*Each graduate deserves to have their name heard by family and friends. Students and guests must be courteous and refrain from the use of noise makers and extensive celebrating that disrupts or delays the ceremony, or drowns out the name of another graduate.*

*Only the official photographer is allowed on the floor. Candidates will cross as listed in the program.*

*The scale represents the spirit of the Latin proverb, Jus est ars boni et aequi, Justice the art of the good and fair. The oak bough with 16 leaves symbolizes strength, while the olive branch with 20 leaves represents peace. The number of leaves recalls the year, 1620, when the pilgrims signed the Mayflower Compact, the first American political document, whose purpose was to preserve order by means of the principle of rule of law.*

*The simple shape represents a water droplet or the flicker of a flame. When duplicated, the droplet becomes a lotus flower bud symbolizing long life and purity, while growth is demonstrated by the progression from small to large. The final mark demonstrates the connection of organic and inorganic, moving beyond natural, suggesting science, digital and data. These are all direct representations of our mission.*

*The quill connotes the importance of creative endeavors while the ruler along the rooftops illustrates a concern with the scientific method. The arched lines represent communication and its wide-reaching effects, hovering over the home, which emphasizes the importance of human bonds and of the family's formative role for the individual. Overlooking all of the other symbols are four face profiles representing the celebration of the diversity that strengthens each of the disciplines within the college.*

# SHSU ALUMNI ASSOCIATION

The SHSU Alumni Association is your Bearkat connection and exists to serve and sustain the SHSU alumni network of over 140,000 alumni worldwide. Connecting with your alumni network is your most valuable SHSU asset—right up there with your degree. Ultimately, a strong alumni network enhances the value of your SHSU degree.

Download the SHSU KatApp in the Apple store or Google Play store to manage your alumni association membership and enjoy member only discounts nationwide. Other advantages of membership include:

- Invitations to exclusive events
- Alumni publications and e-newsletters
- Traveling Bearkats program
- Networking and volunteer opportunities
- Regional clubs and special interest groups
- Alumni exclusive pre-game tailgates

Serving the best interest of our members is a top priority, and it is our hope that you find your membership worthy of continuing for years to come. Whether you become a life member at the new graduate

rate of \$500 (50% off) or choose to renew your membership each year, you are important to the Alumni Association and the university. We need your continued support each year to ensure SHSU remains an outstanding public university.

Follow us on Instagram and Twitter @ SHSUalumniassoc, Facebook @ SHSU Alumni Association

Visit your alumni association at the John R. Ragsdale Alumni Center, 1605 Sam Houston Ave., online at [alumni.shsu.edu](http://alumni.shsu.edu), or call 800-283-7478.
