TEAS EXAM:

- **Minimum Overall Score** must be ≥ 70
- **Sub-scores** must be ≥ 55
 - Reading and Math sub-scores will be used when calculating the rank.
- Given multiple test scores, choose 1 score report to use.
- If testing at SHSU, register for the TEAS exam at www.atitesting.com or at www.shsu.edu/centers/testing-center/
- Upload Individual Performance Profile in application.
- **Must be taken within 2 years of the application deadline.**

Helpful Information to Keep in Mind

The following information is not required at admission but is needed before the start of the second semester of nursing school:

- Proof of comprehensive health insurance (required each year for clinical placements).
- Background check. Background checks revealing offenses may prevent students from completing necessary clinical coursework.
- Some clinical settings require proof of citizenship or official residency status from nursing students. If a student does not have documentation supporting their citizenship or official status (e.g., driver's license, passport, visa, employment authorization documentation, Texas identification card), they may not be able to complete necessary clinical coursework.
 - *Being unable to complete clinical coursework equates unable to complete degree requirements.*
- Immunizations are required by our clinical partners, may exceed CDC recommendations, and follow the Texas Administrative Code, Title 25, Part 1, Chapter 97, Subchapter B Rule 97.64 and 97.65.
 - Proof of immunizations is required to remain in the nursing program. Plan accordingly as some vaccine series, such as Hepatitis B, may require 6 months to complete.
 - Requirements are subject to change based on clinical site.

**The School of Nursing Requirements are subject to change.*
